

C\_remove\_weights

```
graph LR; A[C_remove_weights] --> B[S3get_leftnode]; A --> C[S3get_nodetermininal]; A --> D[S3get_rightnode];
```

A diagram showing a central node on the left, 'C\_remove\_weights', which is a black rectangle with white text. Three blue arrows originate from the right side of this node and point to three separate white rectangular nodes on the right. The top node is labeled 'S3get\_leftnode', the middle node is labeled 'S3get\_nodetermininal', and the bottom node is labeled 'S3get\_rightnode'. All nodes have black borders.

S3get\_leftnode

S3get\_nodetermininal
